ABOUT ME

YOUR AUDIENCE IS BUSY. SO AM *I.*

Between a full-time career and grad school, I know what it takes to win someone's attention in three seconds. My content shows real routines, real products, and real results, so viewers see themselves in it.

Fun fact: my alarm goes off at 4:30am, so if a product can keep up with my day, it can keep up with anyone's.

WHAT I MAKE

- Day in the life

- Product demos
- Testimonials
